836.602-2 Evaluation boards.

Central Office architect-engineer contractors will be selected by the board appointed by the Chief Facilities Management Officer, Office of Facilities Management. Field facility architect-engineer contractors will be selected by the board appointed by the facility director.

(a) The evaluation board for the Office of Facilities Management will be chaired by the Director, A/E Evaluation and Program Support Service. The Project Director or Project Manager will be designated to act as Chair when necessary. The board's members, as appointed by the Chief Facilities Management Officer, Office of Facilities Management, will include the appropriate Project Manager and as many qualified professional architects or engineers from the Office of Facilities Management technical services as may be considered appropriate for the particular project. Additional members from the Office of Facilities Management or from other VA administrations and staff offices will be designated for projects when appropriate.

(b) The evaluation board for a VA field facility will consist of no less than two members, one of whom will be the head of the contracting activity (HCA) (or the senior contracting officer at the facility if there is no HCA on site) and the other the Chief, Engineering Service, or their alternates. Where a facility has two or more engineers on its staff, an additional engineer will be appointed to the board. The chair-

person of the board will be the senior engineer.

(c) The evaluation board for National Cemetery Administration (NCA) contracts will be appointed by the Director, Office of Construction Management, and will consist of no less than three members, one of whom will serve as the board's Chair, and one of whom will be an NCA senior level contracting officer.
